Drawings

The drawings were received on 21 June 2006. These drawings are acceptable.

Allowable Subject Matter

Claims 8-17 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: Claim 8 states the limitation "said pads having microvias located therein, where a center of a microvia of a pad is farther than a center of said pad from a crack initiation point located on a perimeter of said pad at a location where crack in a solder-ball are anticipated to start after said solder-ball is soldered to said pad". This limitation, in conjunction with the other claimed features, was neither found to be disclosed in, nor suggested by, the prior art. Claim 15 states the limitation "said pads having microvias located therein, where a center of a microvia of a pad is farther than a center of said pad from a crack initiation point located on a perimeter of said pad at a location where cracks in a solder-ball are anticipated to start after said solder-ball is soldered to said pad". This limitation, in conjunction with the other claimed features, was neither found to be disclosed in, nor suggested by, the prior art.
